

REMARKS

Reconsideration of this application in view of the above-noted amendments and following remarks is respectfully requested. Claims 15-18, 23-25 and 28 are pending and presently stand free of the prior art. Claims 15-18, 23-25 and 28 stand rejected under 35 U.S.C. § 112, first paragraph, for lack of enablement. Claims 15-18, 23-25 and 28 stand rejected under 35 U.S.C. § 112, second paragraph, for indefiniteness. In order to obviate these grounds of rejection, Applicant has further amended claim 1 in the manner suggested by the Examiner. Support for these further claim amendments are found throughout the specification as noted by the Examiner. No new matter has been added.

In view of the foregoing, Applicant respectfully requests that all of the Examiner's rejections be withdrawn and that claims 15-18, 23-25 and 28 be allowed. A good faith effort has been made to place this application in condition for allowance. If any further matter requires attention prior to allowance, the Examiner is respectfully requested to contact the undersigned attorney to resolve the same.

Respectfully submitted,
